### Uniquip's Sales Team is Getting Bigger!

With the recent arrival of David Latour as National Sales Manager, three new sales representatives have joined the ranks of Uniquip's sales team.

M. Jonathan Quintal, who has previously worked as an account manager for Manulift as well as for Ryders Truck Rentals of Canada for many years will take care of customers located in East-Montreal, the South Shore, Monteregie and Estrie.

M. Martin Lavoie, who has been a representative for United Rentals for over 10 years, will cater to the customers of Quebec City and its surroundings.

M. Mike Gerein, a former sales manager for 6 years with Flamand Sales and Rentals will serve customers from Alberta and British-Columbia.

It's with enthusiasm that we welcome them aboard the Uniquip team, a team that definitely is on a roll!
